

Product safety recall

Date: 14/10/2025

PARAJUMPERS

PARAJUMPERS S.P.A. RECALLS 25WMPMPUUD02 - P AKUTAN - MAN

PRODUCT IDENTIFICATION INFORMATION

Product name
AKUTAN - MAN

Brand
Parajumpers

Item code
25WMPMPUUD02 - P

Where to find the code
On the white label sewn inside the garment, next to the Certilogo authenticity label (see image).

Sales period and location
Sold worldwide, starting from 01/07/2025

WHY IS THE PRODUCT DANGEROUS?

The non-conformity concerns a flexible metal wire designed to shape the hood. The wire ends are not protected, and the wire may therefore protrude through the insertion holes on either side of the hood. The unprotected ends may cause abrasions.

WHAT TO DO

- Stop using the product immediately.
- Contact customer service at info@parajumpers.it, providing the product code and a photograph of the QR code shown on the inside label.

REMEDIES AVAILABLE TO CONSUMERS

Consumers may choose to have the product repaired free of charge or replaced with a product of equal value.
